

CHARLOTTE DUPUY

ESSEC Business School Student

My dynamism and curiosity make me a very attentive person who is eager to learn. My studies at ESSEC Business School have provided me with an understanding of the business environment. I am comfortable organizing events, interacting with brand partners, managing customer relations, and accounting thanks to my extensive professional experience and active involvement in my student association. I am very enthusiastic about the idea of applying my knowledge and skills.

GranTurismo ESSEC

January 2024

GranTurismo is a dynamic student association within ESSEC Business School focused on automotive passion. As the treasurer and former partnership coordinator, I had the opportunity to play a key role in planning and managing events, conferences, and casual meetings at exhibitions.

Administrative Assistant

ADS Food

July 2023 - August 2023

I had the opportunity to intern at ADS Food. This experience has enabled me to become proficient in organizing logistical and accounting archives, as well as in using Oracle ERP.

Managerial Assistant, Professional Trade Show Hostess

May 2022 - June 2022

Smart Break

I had the opportunity to intern at Smart Break. Through this experience, I am now very comfortable with managing a professional trade show and welcoming clients.

Marketing Assistant

July 2020

Partnership Coordinator

March 2019 - May 2019

SEGI France

My internship experiences at SEGI France taught me business development, sustainability, as well as managing a marketing campaign and customer relations.
